Requirements in sections 5, 11, and 13 of the Food Stamp Act of 1977 (the Act) are the basis for the information collected on Form FCS-209, Status of Claims Against Households. The Act requires that State agencies submit reports and other information which the Secretary deems necessary to determine compliance with the Act and its implementing regulations. The Act provides that when coupons are overissued to households due to Inadvertent Household Error (IHE), Intentional Program Violation (IPV) or Administrative Error, State agencies are required to determine the amount of overissuances and establish claims against the households to collect the overissued amounts. The Act authorizes the Secretary to settle and adjust established claims by compromise or denial of all or part of any such claim arising under the Act or regulations issued pursuant to the Act.

Expiration Date: 9/30/96.

Type of Request: Reinstatement, without change, of this previously approved collection of information.

Abstract: 7 CFR 273.18(i) of the Food Stamp Program regulations requires that State agencies submit quarterly Form FCS-209, Status of Claims Against Households, reports. The required information provided on this report must be obtained from an accountable system of established claims, repayment demand letters, satisfied and compromised claim amounts, and outstanding claims. The regulations make a distinction between nonfraud claims caused by State agency miscalculation or error and those caused by inadvertent household error. The fraud category of Form FCS-209 includes those cases in which the household committed intentional misrepresentation in order to obtain benefits. States may retain a percentage of fraud and intentional misrepresentation collections as an incentive to pursue action on those cases. In addition, States may also retain a percentage of collections in regard to

inadvertent household error. The FCS-209 accommodates the reporting of amounts collected, calculation of amounts to be retained by the State and calculation of amounts due the Federal Government through an offset against the State's administrative funds as a method of payment.

Affected Public: State governments.

Estimated Number of Respondents: 53.

Estimated Time per Response: 3.5 hours.

Estimated Total Annual Burden: 742 hours.

Dated: October 4, 1996.

William E. Ludwig,

Administrator, Food and Consumer Service.
